

BAGNO ITALIA

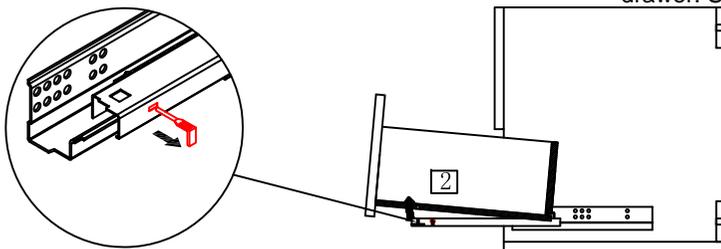

DRAWER REMOVAL & INSTALLATION

REMOVAL

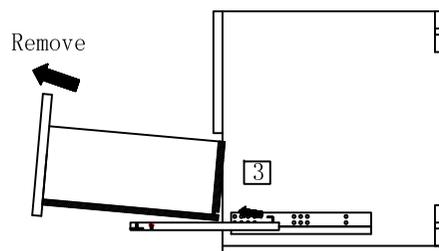

1. Full pull out the drawer.

2. Pull out the bottom of the rail plastic insert and unscrew screw on side of side rail under drawer. See Page 2

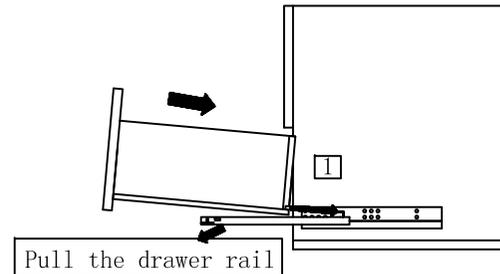

3. Finally pull out the drawer.

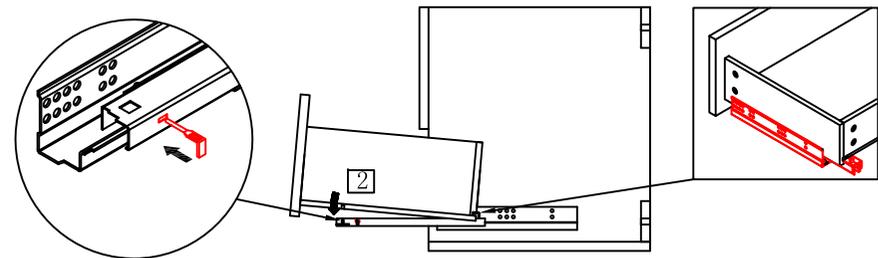

INSTALLTION

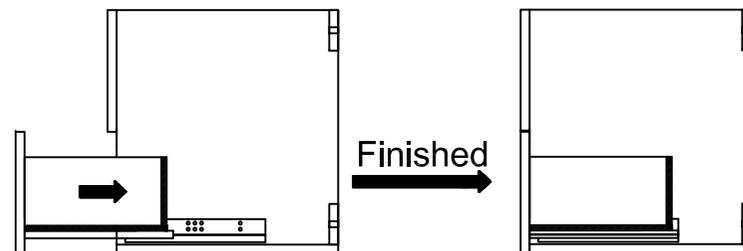

1. Pull the drawer rail, rail socket holes at the back of the drawer.

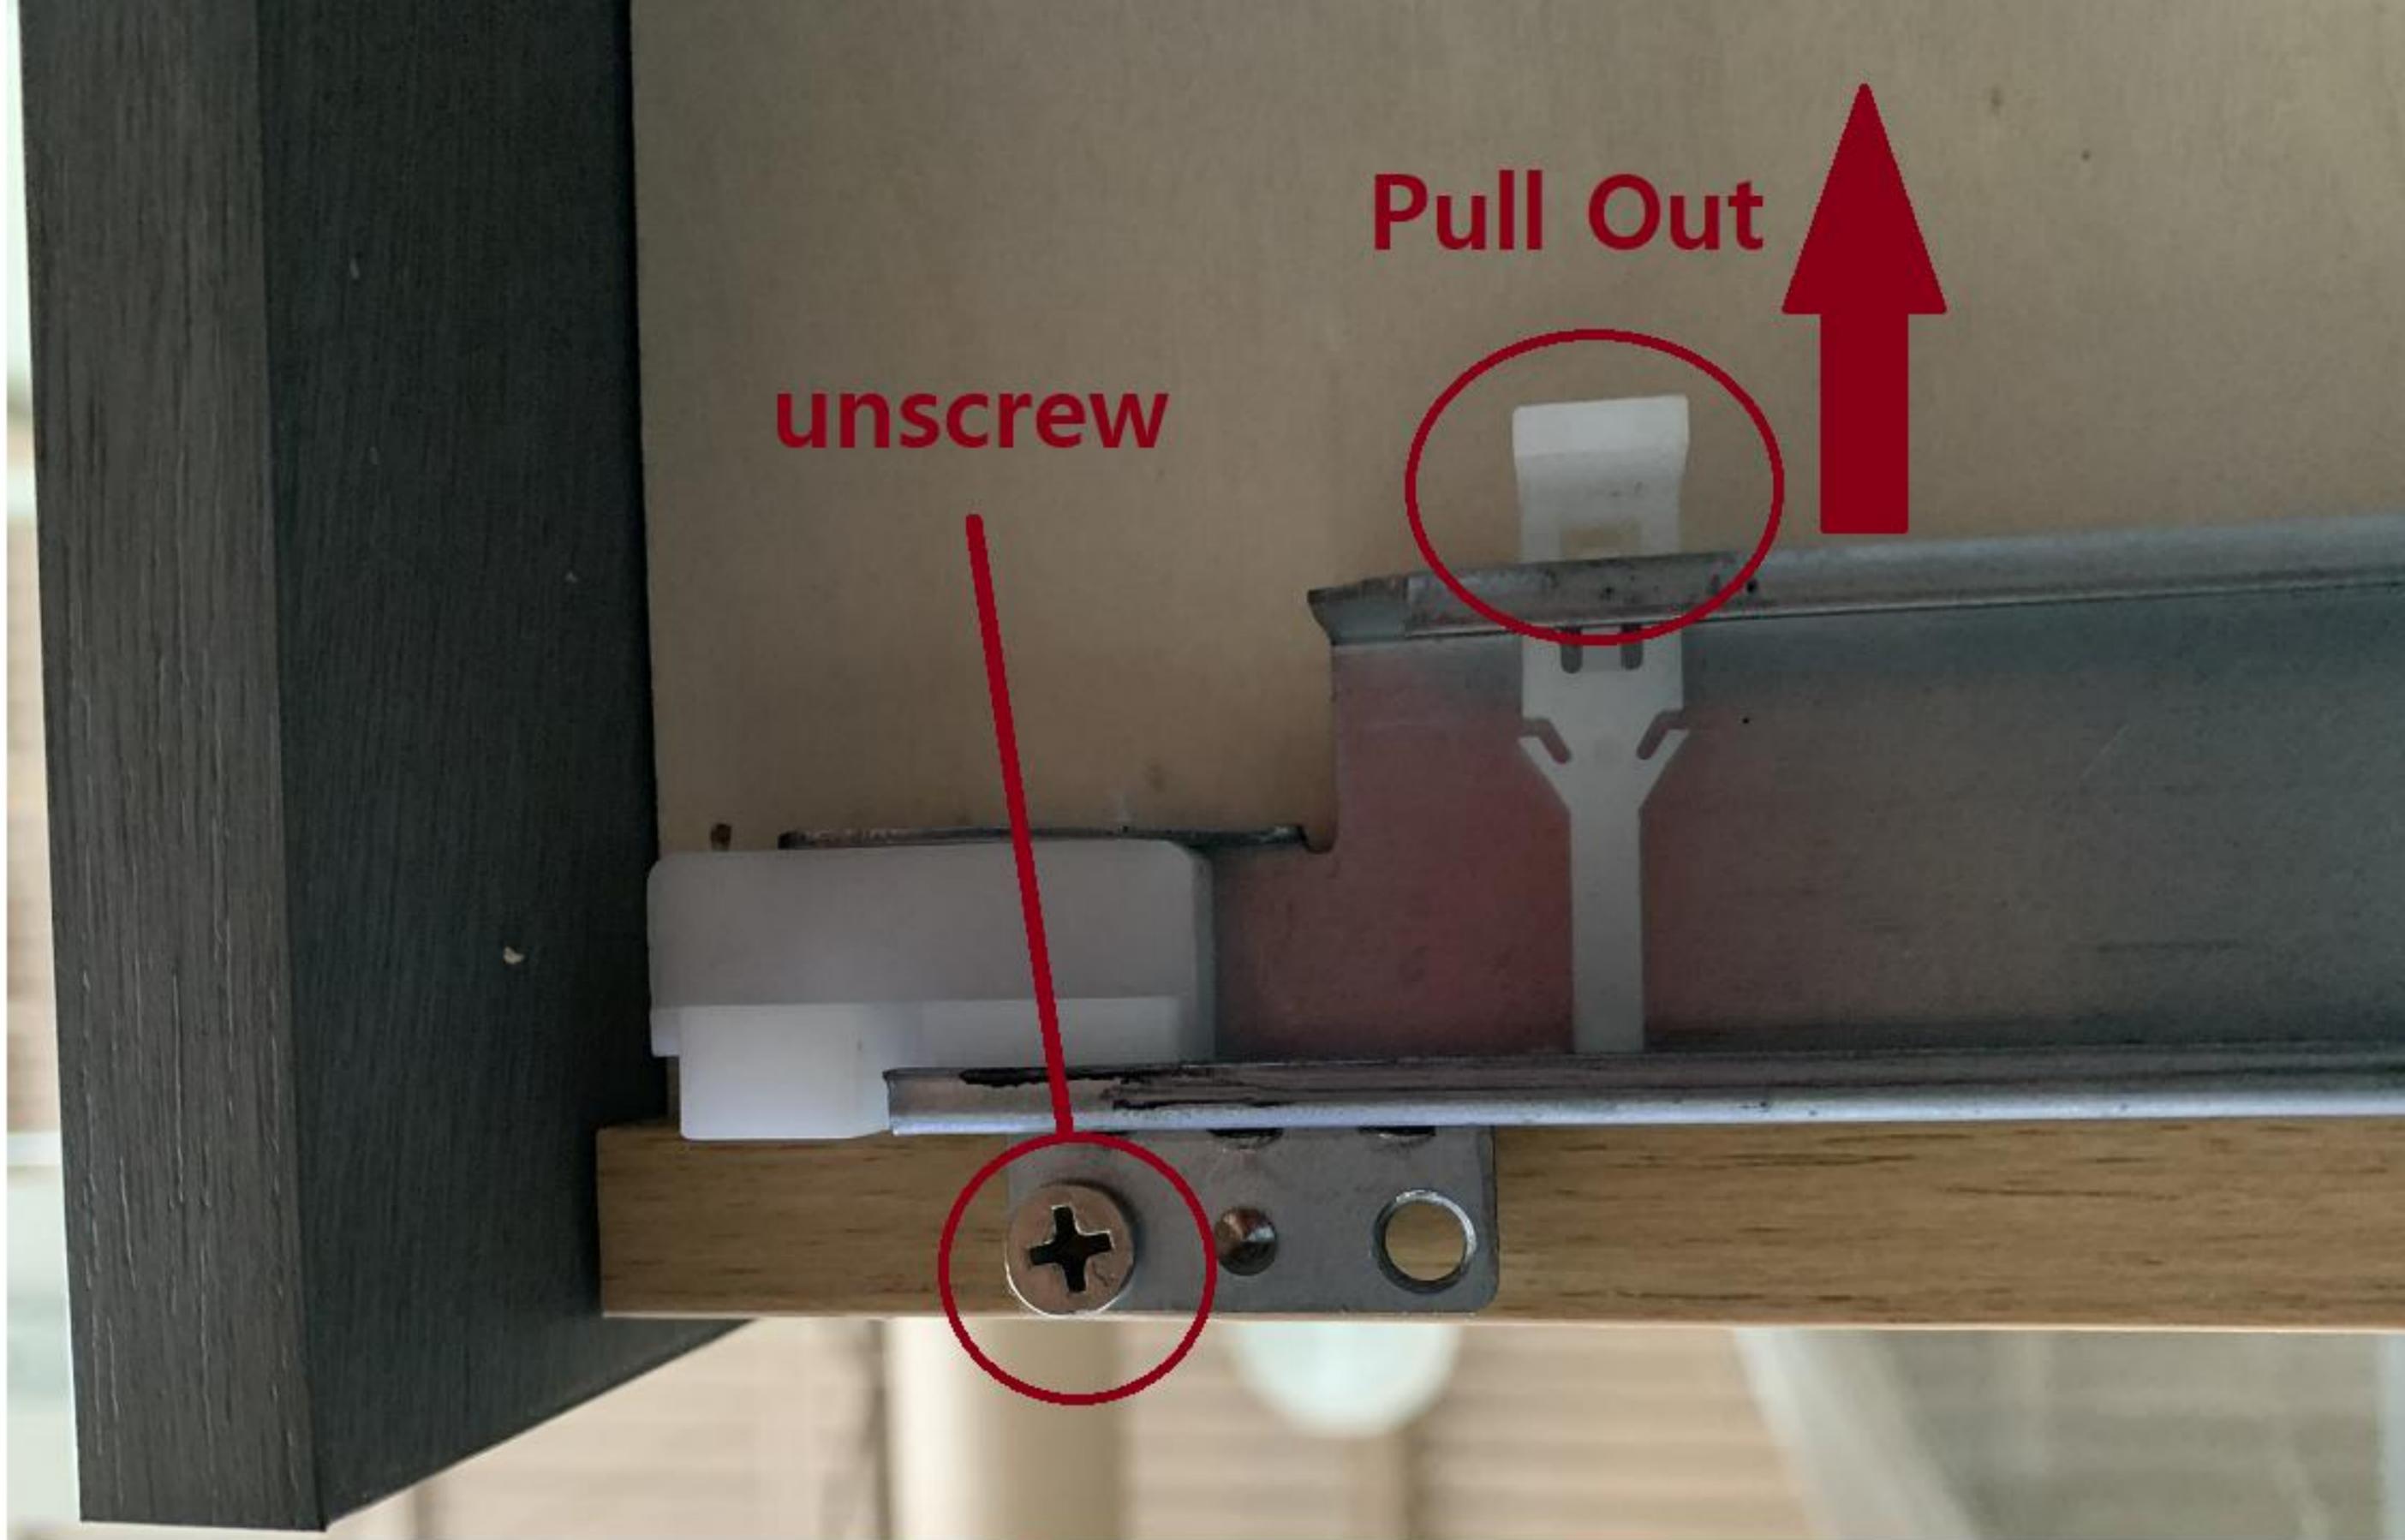

2. Plastic insert for drawer side hole. And put back screw as Page 2

3. Push the drawer.

Underneath Drawer Image

To put back the drawer onto the slides correctly, installer must ensure that the 2 sides pins go in the drawer hole on both sides.
